MAKE-A-WISH SPONSORSHIP PROGRAM

WE NEED YOUR HELP!

City Electric Supply has served the local area for several years as an electrical distributor, but we are also recognized as philanthropists. We have supported the **Make-A-Wish® Canada** foundation for many years – an organization aimed to fulfill the dreams and goals of children living with life-threatening illnesses. They are the largest wish granting organization in the world.

Our involvement began **5** years ago after taking a company wide vote. Since then we have become proud **WISH CHAMPION SPONSORS** raising over **\$500,000** – equivalent to **50** wishes granted!

To continue this success, we feel our efforts would take us farther with your support. In turn, your donation would grant honorable mention as supporting sponsors in the following ways;
