DID YOU KNOW...

C.E.S. owns and operates its own delivery fleet? With full control of delivery schedules we can deliver what you require, at a location and time convenient to you.

Imagine employee A does 20 trips to a wholesaler each month. Co-ordinated delivery from C.E.S. delivery fleet saves \$100 in time for each employee.

Contractor has 8 employees:

**8 x 100 x 20 = \$16,000 per month
or \$192,000 per year.**

*Same / next day delivery applies to products currently in stock. Free delivery applies to your local branch's regular delivery area. Contact your nearest branch to confirm if your location is within their daily scheduled route.
