

AUTOMATIC BACKUP POWER

ALMOST EVERY HOMEOWNER CAN AFFORD

Generac Powerpact – The affordable, automatic alternative to portable backup power.

[LEARN MORE](#)

GENERAC®

POWERPACT™ 7kW RESIDENTIAL STANDBY GENERATOR

Bring backup power to your home affordably and automatically with the new PowerPact standby generator. A portable generator is not your only option for power outage emergencies. The PowerPact is an economical alternative, without the hassles of power cords and refueling.

006561-0 (Steel - Bisque) - Generator only
 006518-0 (Steel - Bisque) - Generator with Pre-wired Switch
 006519-0 (Steel - Bisque) - Generator with Non-Pre-wired Switch

FEATURES

- Extreme value for those who desire automatic backup power at the most affordable price
- Rigid construction and added durability provide long engine life
- Single Source Service Response – provides parts and service know-how for the entire unit, from the engine to the smallest electronic component
- Allows for a smaller, light weight unit that operates 25% more efficiently than a revolving armature generator
- Sound attenuated enclosure ensures quiet operation
- Smooth, quick starting every time
- Easy installation
- 3 year limited warranty
